- Cohen's Fashion Optical

Vision Providers

- Ophthalmologists
- Optometrists
- Ophthalmic medical practitioners
- Opticians

Why Maintaining Eye Health is Important

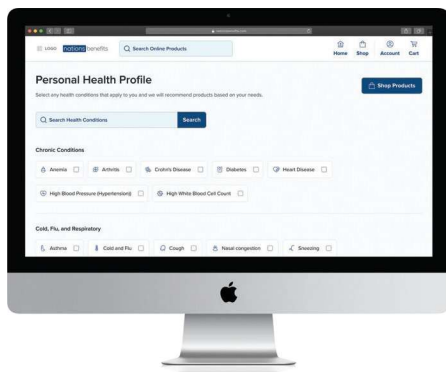

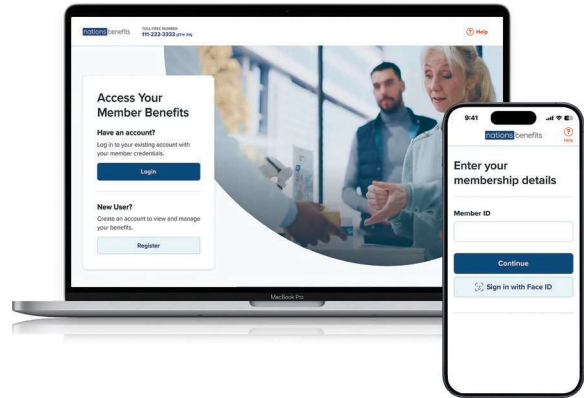

Taking care of your eyes before a problem develops or worsens is essential for many retirees. By covering the cost of eye care, our vision benefit can help you maintain good eye health. A routine eye exam can help detect high blood pressure, diabetes, high cholesterol, and even brain tumors. With our vision plan, you can be proactive about maintaining a happy and healthy vision.

Your Personalized Benefits Pro™ Portal & App

Benefits Pro makes ordering products simple and hassle-free.

You can easily:

- **Access** online ordering
- **Check** products and services eligibility
- **View** available balance and transaction history
- **Update** personal account information
- **Find** participating retailers

Personal Health Profile

Your personal health profile is built with you in mind. By self-reporting your conditions, you'll receive **product recommendations** and related **health information**. What you choose to share with us can be used to help you achieve your desired health goals.
