

2024

PHARMACY DIRECTORY

West Virginia Senior Advantage Institutional Special Needs Plan (ISNP)

2024 Pharmacy Directory

This pharmacy directory was updated on 04/01/2024. For more recent information or other questions, please contact West Virginia Senior Advantage at 833-665-5423 or, for TTY/TDD users, 711, 24 hours a day, 7 days a week, or visit www.wvsenioradvantage.com.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.wvsenioradvantage.com. You may also call Member Services at 833-665-5423 (TTY/TDD users should call 711) for updated information.

Introduction: This booklet provides a list of West Virginia Senior Advantage’s ISNP network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and West Virginia Senior Advantage’s ISNP formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means West Virginia Senior Advantage. When it refers to “plan” or “our plan,” it means West Virginia Senior Advantage ISNP.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 04/01/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for our plan’s service area including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call member service at 833-665-5423 (TTY/TDD users should call 711).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

The pharmacies in this directory are listed alphabetically by pharmacy name. The pharmacy type (i.e. retail, long-term care) can be found below the pharmacy name.

Mail Order Pharmacy Information

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program, EasyRefill. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling 1-866-909-5170 (TTY/TDD users should call 711) or emailing at elixirpharmacy@elixirsolutions.com.

Typically, you should expect to receive your prescription drugs within 7 to 10 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 866-909-5170 (TTY/TDD users should call 711) or by email at elixirpharmacy@elixirsolutions.com

Long-Term Care Pharmacy Information

Residents of a long-term care facility may access their prescription drugs covered under West Virginia Senior Advantage through the facility's long-term care pharmacy or another network long-term care pharmacy.
